**NOVA HOTEL RENOVATION & CONSTRUCTION
COMPLETES RENOVATION OF HILTON FORT WAYNE**

Hilton Fort Wayne at Grand Wayne Convention Center Is Ideal Choice for Business Travelers

FORT WAYNE, IN (March 31, 2014) – Nova Hotel Renovation & Construction (Nova HRC), a leader in hotel renovations and construction within the hospitality industry, have completed the renovation of the Hilton Fort Wayne, Indiana. The renovation consisted of 244 guest rooms on 9 floors and selected public areas of the hotel. The Hilton Fort Wayne at Grand Wayne Convention Center is directly connected to the Grand Wayne Convention Center, making this hotel a perfect choice for business and corporate travelers.

The hotel has been recognized as the “Best Bed in Town” and offers unrivaled guest rooms showcasing modern and contemporary décor, and is within walking distance to area attractions the likes of The Foellinger-Friemann Botanical Gardens, Embassy Theater, Lincoln Museum, Fort Wayne Museum of Art, Allen County Public Library and Genealogy Library, as well as local restaurants.

“Nova has been a pleasure to deal with” said Mark Luttik, General Manager of Hilton Fort Wayne at Grand Wayne Convention Center. “Nova mobilized and began construction within a few days of our initial contact and exceeded all expectations. Our regular clients love the revitalized property.”

Nova HRC is a general contractor that specializes in global hospitality renovation and construction projects nationwide, servicing all segments in the industry, including modern branded hotels and boutique properties. The company directors and executive staff are a fusion of hoteliers and construction experts, allowing for a uniquely dynamic, yet thoroughly practical approach to renovation and hotel operations.

To learn more about Nova HRC please contact Ian Fraser, SVP of Operations by phone 727.447.2800 or email to ifraser@novahrc.com.
