**Nova Hotel Renovation & Construction Completes Renovations  
Homewood Suites by Hilton Anaheim-Main Gate Area  
Radisson Hotel San Francisco Airport Bay Front  
Hilton Garden Inn Anaheim/Garden Grove**

**CLEARWATER, FL (October 15, 2013)** – Nova HRC, a leader in hotel and resort renovations, has completed the renovations of the Homewood Suites by Hilton Anaheim-Main Gate Area, in the heart of Anaheim/Disneyland Resort and the Radisson Hotel San Francisco Airport Bay Front. Nova HRC has also completed the renovation of the Hilton Garden Inn Anaheim/Garden Grove, which included provision for both design and construction.

The projects focused on rapid completion and quality work with minimal impact upon hotel guests. “I am glad to report that this was probably the best experience I have had during any kind of renovation, and truly felt that the team understood the challenges and issues related with this type of project as it affects our guests. During my career I have not received guest comments via SALT (Hilton’s guest survey) or TripAdvisor detailing the friendliness of a renovation team, but actually did in regards to your team,” wrote Gary Hattendorf, CHA, General Manager of Homewood Suites by Hilton property.

Nova HRC specializes in global hospitality renovation and construction projects, servicing all segments in the industry. The company directors and executive staff are a fusion of hoteliers and construction experts, allowing for a uniquely dynamic, yet thoroughly practical, approach to renovation and hotel operations.
